Notes to Physician: Treat symptomatically.

PRODUCT SAFETY DATA SHEET: MASCOT TRAILBLAZER LIQUID

5. FIRE FIGHTING MEASURES:

Hazardous combustion products: If involved in a fire this product may evolve harmful fumes.

Protection of fire fighters: Wear self contained breathing apparatus.

Additional Information: Non combustible, non flammable. No unusual fire or explosion hazards known.

6. ACCIDENTAL RELEASE MEASURES:

Personal Precautions: Avoid personal contact by wearing rubber boots, protective gloves, coveralls, goggles or faceshield.

Environmental Precautions: Prevent spillages or washings from entering water courses. If accidental contamination of water courses occurs inform local water authority immediately.

Clean-up Method: Deal with spillages immediately. Absorb spillages with earth or sand and sweep up into labelled container for disposal. Wash spill area with water and absorb with further earth or sand, add sweepings to container.

7. HANDLING & STORAGE:

Handling: Read the label before use. Do not eat, drink or smoke. Always follow pesticide label precautions and wear the recommended protective clothing. When handling it is advisable to wear protective gloves, rubber boots, goggles and coveralls. Wash face and hands before eating, drinking or smoking. Wash concentrate from hands immediately.

Storage: Store in original container tightly closed in a safe place. Store in a cool, dry, well ventilated place away from excessive heat or foodstuffs. Keep out of reach of children. Store at ambient temperatures. Keep from freezing.

8. EXPOSURE CONTROLS/PERSONAL PROTECTION:

Exposure Guidelines: No OES. Follow pesticide label precautions and wear recommended protective clothing. Wear protective gloves, coveralls, rubber boots and faceshield/goggles when handling product. Respiratory protection not necessary unless used in confined space.

PRODUCT SAFETY DATA SHEET: MASCOT TRAILBLAZER LIQUID

9. PHYSICAL AND CHEMICAL PROPERTIES:

Form: Liquid

Colour: Dark Blue

Odour: None

pH: 6-8

pH of 0.5%: 6-8

Boiling Point: Not determined

Melting Point: Not determined

Flash Point: No measurable flash point

Explosive Behaviour: Not applicable

Relative Density: 1.010 + or - 0.010

Vapour Pressure: Not determined

Solubility in Water: Soluble

10. STABILITY AND REACTIVITY:

Stable chemically. Thermal decomposition will give rise to harmful oxides of nitrogen. Avoid extremes of temperature.

11. TOXICOLOGICAL INFORMATION:

General Toxicity: Regarded as being of low toxicity. Unlikely to cause harmful effects with normal handling and use. Effects of over exposure have not been observed.

Ingestion: May cause nausea. No toxic effect expected. Irritation to the digestive system can occur.

Inhalation: Not likely to be a problem by this route

Skin Contact: Not considered to be toxic by skin contact

Eye Contact: Irritation to the eye may occur

12. ECOLOGICAL INFORMATION

Should not present an ecological hazard.

**PRODUCT SAFETY DATA SHEET: MASCOT TRAILBLAZER
LIQUID**

13. DISPOSAL CONSIDERATIONS:

Spillage or excess product should be disposed of via local authority or reputable waste disposal contractor. Small spillages can be flushed away with water.

14. TRANSPORT INFORMATION:

UN Number: Not classified as hazardous for transport. No Un no allocated.

Packing Group: Not applicable

Hazard Class: Not applicable, not considered hazardous for transport.

15. REGULATORY INFORMATION:

This product is not classified as hazardous for supply or transport.

S-Phrases: Keep locked up and out of reach of children

In case of contact with eyes rinse immediately with plenty of water and seek medical advice.

16. OTHER INFORMATION:

The data given in this sheet is based on current knowledge and experience, however no liability is accepted for any insufficiency or omission in any case whatsoever. This data sheet does not constitute an assessment of workplace control as required by current law.
