

Your favourite Euroflor urban meadow mixes :

## **COTTAGE GARDEN** with :

- *Arabis alpina* 'Corbeille d'argent'
- *Centaurea cyanus*
- *Clarkia pulchella*
- *Gypsophila repens*
- *Godetia amoena*
- *Helichrysum bracteatum*
- *Lavatera trimestris* 'Silver Cup'
- *Lavatera trimestris* 'Mont Blanc'
- *Linum grandiflorum* 'Blue Dress'
- *Lupinus* 'Pixie delight'
- *Thlaspi glaucum*

**Sowing rate 1 kg = 250 - 350 m<sup>2</sup>**

Reminiscent of the traditional English **COTTAGE GARDEN**, this mixture is about subtle pastel shades of pink white and blue. Gertrude Jekyll herself would have been proud with the results. This Euroflor mixture is for people and places that require discreet and pale colours of white and pink with just an occasional note of blue or yellow for added interest. Ideally suited for peaceful and restful sites where flowers are required without flamboyant colours.
