

# Lineout

A highly efficient spray marker  
foam containing optical brighteners  
and anti-drift additives

**1 Litre** 

**Pack contents:** 6 x 1 Litre

Protect from frost

## SPECIALITIES

## Directions for use

For the formation of effective and long lasting foam, use Lineout Bout Marker as indicated below. Optical brighteners have also been added for ease of use.

Minimum dilution of 1 part Lineout to 125 parts water. Half fill the bout reservoir with clean water, add the required amount of Lineout and agitate thoroughly. Add the remainder of the water. Users should wear protective gloves and eye shields when handling Lineout in its supplied form.
