

R14

100% perennial ryegrass blend

R14 is the premium fast establishing, hard-wearing, balanced blend of dwarf perennial ryegrasses for natural and hybrid grass sports pitches. The balanced blend of cultivars is selected not only for fast establishment and intense wear tolerance but also for vital recovery after wear and colour matched for consistent visuals. Germin-8T treated to speed up establishment.

Usage

- Construction and renovation of natural grass and hybrid sports pitches
- Racecourses
