

R14 for Sports Pitches

Hard-wearing 100% Perennial Ryegrass Blend

A top rated, perfectly balanced blend of hard wearing perennial ryegrasses with superior recovery, R14 is also treated with Germin-8T to aid establishment in testing conditions. A technological breakthrough in grass seed pre-treatment Germin-8T is a potent liquid cocktail only 2% by weight, thus no need to increase the seed sowing rate. Maximizing seedling development by stimulating and supporting accelerated germination and turf grass establishment. Germin-8T also transports both *mycorrhizal* fungi and *Trichoderma atroviride* into the rootzone profile (rhizosphere), helping optimize nutrition and increasing the plants tolerance to a range of turf diseases including Leaf Spot, Pythium and Rhizoctonia. A winning combination!

R14 THE BLEND

30% Europitch	Perennial ryegrass
25% Eurocordus	Perennial ryegrass
25% Eurosport	Perennial ryegrass
20% Cameron	Perennial ryegrass

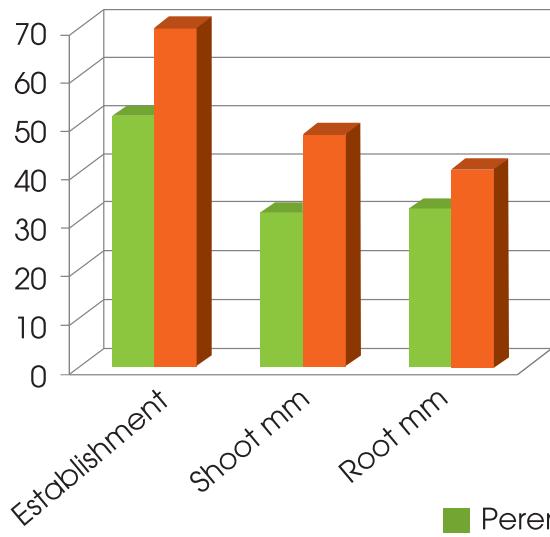

Sowing Rate	30-50g sq.m
Overseeding Rate	15-25g sq.m
Sowing Depth	10-15mm
Mowing Height	Down to 8mm

R14 THE BENEFITS	Wear Tolerance	Recovery
30% Europitch	8.1	7.5
25% Eurocordus	7.9	7.5
25% Eurosport	7.8	7.8
20% Cameron	7.7	7.8

FASTER ESTABLISHMENT PERCENTAGE
 Perennial Ryegrass Germin-8T Treated
 showing increase in establishment (minimum
 3 leaf stage, 3cm) and measured root and
 shoots length, 21 days after treatment

INCREASED GERMINATION PERCENTAGE
 Perennial Ryegrass Germin-8T Treated
 shows 38% increase in germination 10
 days after treatment in cool, wet
 conditions

■ Perennial Ryegrass Untreated
 ■ Perennial Ryegrass Germin-8T Treated

R14 Delivers

- Quick establishment
- Highest wear tolerance
- Fastest recovery from wear
- Excellent colour and presentation

R14 Applications

- All sports pitches
- Racecourses
- Renovation & Repairs

Derby County FC

With the use of R14 100% perennial ryegrass "I've never seen such excellent coverage, colour and density on the pitches, even in February...the coverage is fantastic and so is the wear tolerance."

Paul 'Tommo' Thompson,
 Head Groundsman
 Derby County Football Club Training Ground
