

# RT FleetKleen

A combination of **microbes** and a **powerful organic degreaser** cleaning agent designed for use on hard surfaces and equipment

## WHY RT FLEETKLEEN

- › Bio-remediates surface areas, interceptors and drains
- › Ideal for washing off equipment
- › Removes stains and oil/fuel from hard surfaces
- › Removes slip risk from spills
- › Decontaminates vans and vehicles after fuel/oil spill
- › Applied via power sprayer or pressure washer

### How to use RT FleetKleen

Dilute 100ml concentrate with 2 litres of water for conventional pressure sprayers. For power washers dilute 100ml in 3 litres of water

Liberal spray the contaminated area or equipment then leave for 5-10 minutes. On flat surfaces use stiff brush to aid removal then rinse area. For stubborn stains repeat the procedure.

Target application rate is 1 litre of diluted spray per 10m<sup>2</sup>.

*Oil spill before treatment*

*Oil spill after treatment - scrubbed residue washed into interceptor*

### Product Detail
