- b) *If in eyes.* Bathe eyes with water
- c) *Hygiene:* Do not eat, drink or smoke whilst handling product. After handling, wash hands in soap and water

No special first aid requirements

3.0 CONTROLS

Grass seed is a natural product. Under standard practice, bags are opened and seed distributed in the open air where concentrations of dust should fall well below the Occupational Exposure Limit (O.E.L) published in EH 40.

The general COSHH Approved Code of Practice states that 'A substantial concentration of dust should be taken as 10 mg.m³ 8 hour TWA, of a total inhalable dust, or 4 mg.m³ 8 hour TWA, of respirable dust.'

4.0 FIRE

No significant fire risk

Extinguishing media: Water spray, dry extinguishing media, foam, carbon dioxide

Special protection equipment: None

Further details: Contaminated extinguishing water must be disposed in accordance with regulations of the local authorities

5.0 STORAGE

Store in original packaging in a cool, dry, dark place. Avoid storage with food products.

6.0 ADDITIONAL INFORMATION
