

# SYNTHETIC GRASS

## TigerTurf™

A TenCate Grass Company

Market leaders in their fields, TigerTurf UK and Challenger Turf have teamed up to create an industry-leading range of artificial grass products for golf and landscaping.

Suitable for a vast range of applications, TigerTurf and Challenger golf range is perfect for commercial use of putting greens, bunkers, fairways and driving ranges.

## WHY TIGER TURF

- › Playable all year round
- › Ideal for walk on/walk off areas and high traffic areas
- › Replicates natural grass – similar play and ball roll
- › Extended playing hours
- › Long life and low maintenance
- › Retains its appearance
- › No more divots
